### Can you have your wedding ceremony on the beach in Gran Canaria?

I get asked this question at least once every day, and it's so disappointing to inform my clients that unfortunately, at this moment in time, beach weddings are still not legally permitted here in Gran Canaria.

However, all hope is not lost just yet!

The Town Hall in San Bartolomé de Tirajana is currently awaiting a decision from Costas, the association that looks after and governs the beaches in Gran Canaria, as to whether they will permit temporary ceremony set ups in selected beaches in their municipality.

It seems that due to some slight

changes in the rules and regulations governing beaches, the possibility of being able to hold temporary ceremonies on the beach are looking more and more favorable.

So watch this space, as soon as I have any news you'll be the first to know!
