

## Heart-shaped Sophistication

If you're looking for a modern and sophisticated wedding destination, look no further than Maroa Club de Mar, at Anfi, the luxury beach-side resort situated in the south of Gran Canaria.

Maroa Club de Mar is located on Anfi's heart-shaped island, surrounded by swaying palm trees, vibrant bougainvillea and the glittering Atlantic Ocean. Also, adjacent to the island is Anfi's white-sand beach, where you and your partner can walk barefoot along the sand, whilst wedding photographer captures beautiful images for you to cherish.

The Anfi island also boasts an elegant purpose-built stone carved alter, where you and your loved one can exchange your vows before heading into Maroa itself to continue your wedding celebration.

You and your guests can begin by sipping cocktails in the stylish chill-out area, where sprawling white sofas and elegant canopied day beds are nestled on a bed of white Caribbean sand. The sophisticated dining area has a tantalising selection of menus and the services of personal cocktail waiters. There is also a wide selection of champagne – the classic tittle with which to toast your special day, as the Ocean laps gently around you.

If you dream of a sleek, contemporary wedding, in an exclusive 5-star venue, with stunning photography opportunities and a service to match, Maroa Club de Mar certainly has everything you need.
