## 10 Ways to Propose on Valentine's day in Gran Canaria

Valentine's day is just around the corner so if you're looking for the perfect way to propose to the one you love, then now's your moment?

Gran Canaria has some of the most enviable locations to make your proposal an unforgettable moment for you and your future fiancé.

Here are just a few ideas from our experience and expertise that will ensure you get a YES!:

1. Choose a romantic Balinese haven for two at Maroa Club de Mar situated on Anfi heart shaped island. Be served canapés and champagne by your personal waiter, beneath the stars.
2. Set sail on a private yacht and propose while sipping champagne as the sunsets over the horizon.
3. On a budget or just want something simple and very effective? Head on down to one of Gran Canarias beautiful beaches night or day with a bottle of champagne and 2 glasses. Why not get a friend to prepare the area with a beautiful blanket covered in petals and surrounded by candles?
4. Into extreme sports? Why not propose on a parasail for 2 or release a "Will you marry me?" banner while scuba diving?
5. Hire the daily advertising plane to fly a banner saying "Will you marry me? (along with your partners name)"
6. Build a sand castle in a safe area away from the sea and place the ring on the top turret and ask your partner to come and inspect your creation.
7. Gran Canaria is full of amazing restaurants in beautiful settings by the sea or in picturesque settings. Get the chef at your chosen restaurant to write "Will you marry me" in chocolate sauce around the plate of your partners' dessert.
8. Hire a beautiful hotel room or suite and make a trail of candles or petals from the door leading to a circle with the ring in the centre. Don't forget to having the champagne on ice waiting.
9. Head up to Pico de las Nieves, Gran Canarias highest point in the picturesque mountains and propose as the sunsets over Mount Teide.
10. Use one of Gran Canarias local excursions or attractions to help you out. Have them either borrow you a microphone at a chosen part of their show or present a "Will your marry me? (along with the name of your partner)" banner or sign on one of their attractions

I hope this has spurred you on to propose to that special person in your life and if so, I'd love you to tell me of your story.

GOOD LUCK!!!!
