THE COUPLE

Paula & Edy

got hitched amidst the island beauty of Gran Canaria

Being from Gran Canaria and having met Edy on the island, we thought it would be the perfect location for our wedding celebration. With my partner Edy Tavares, who is a professional basketball player for Real Madrid, we travel to many places and we could have picked anywhere, but Gran Canaria has a special meaning for us. Our dream had always been to get married in the south, so we did not hesitate when the time came, as we spent so many good moments there.

We fell in love with the hotel Lopesan Villa del Conde from the first moment we saw it. It is a magical place for us that we will always remember for the rest of our lives.

To plan everything from abroad was not easy, we lived in the United States and it was a bit complicated to start organizing the wedding. But with the great help from The Perfect Wedding Company, everything became easier. Bernadette and her team have done a great job to make our wedding the most beautiful day of our life. Always attentive to anything we were missing. The truth is that we have no words to thank all the great work they have done.

We decorated the venue with seasonal flowers, candles, ornaments that matched the theme of the wedding. My color palette was inspired by the color of my dress which was a champagne color. I wanted everything to reflect the tone of my dress. I bought my dress in Cleveland at the Radiant Bride store during our stay there when my husband played for the Cleveland Cavaliers. We started to plan our wedding while we were in the States so it worked out more convenient to buy my dress there.

The day was a great outcome, thanks to a wonderful team that made every aspect outstanding. The officiant Gilberto made everything easier, we were at ease during the ceremony and he explained our beautiful love story to all the guests as a magical tale.

We also give both the photographer and the videographer a 10 out of 10 for choosing the perfect place to take our individual photoshoot at the iconic Canarian Sand Dunes.

Walter 'Edy' Tavares y Paula Grimón se dan el 'sí quiero' en Meloneras

■ El canterano del Herbalife Gran Canaria y actual pívot caboverdiano del Real Madrid, Walter Samuel Tavares Veiga, conocido como *Edy*, y la grancanaria Paula Grimón contrajeron ayer matrimonio en el hotel Lopesan Villa del Conde Resort & Thalasso, situado en la zona de Meloneras del sur de Gran Canaria. Tavares y Grimón, quienes se conocieron desde que Tavares aterrizara en la isla procedente de Maio con apenas 17 años, compar-

tieron uno de los momentos más bonitos de sus vidas con familiares, amigos y muchas caras conocidas del mundo del deporte y, principalmente, del baloncesto. Fue un día muy especial para un jugador que protagonizó una de las historias de superación más conmovedoras, comenzando a jugar con 17 años tras ser descubierto por el Herbalife Gran Canaria y alcanzar el sueño de la NBA. Ahora da un paso más en su vida y cargado de felicidad.

Walter Edy Tavares y Paula Grimón muestran su felicidad al saludar ayer a los invitados a su boda en el hotel Lopesan Villa del Conde.
